No flowers please.

Sheila sent me an e mail an hour after Chris passed away. We had known each other since grade one and he was like a brother. Heck he was my brother. He never complained. We seemed to have one mind and could finish each others sentences. Spent a lot of time with him in the mink yard solving the worlds problems. I am going to miss him very much.

Dear Friends of 1959

It was with sadness that I learned of the death of Chris Engh.

Chris and myself use to deliver the morning paper the *NEWS HERALD* in the 1950s. When I got a job at Heather Handy Store delivering groceries I gave my paper route to Chris. There were only 27 customers but he gladly took them on to add to his paper route. While we never kept in contact I was glad that he was able to take on the route. Funally enough he just lived up 22nd Avenue I believe about 4-5 blocks from me.

May he rest in peace.
